## A Podcast Dedicated to the Production Side of the Remodeling Business

Whether you are getting "windshield time" listening in the truck on your way to your next project or at your desk during a lunch break, we hope **The Tim Faller Show** brings you the next big idea, production tip or even just a chance to hear from those in the field that "know your pain."

**The Tim Faller Show** is a podcast dedicated entirely to the production side of the remodeling industry. Tim, along with his co-host Steve Wheeler, will be bringing you weekly interviews with elite production managers, lead carpenters and industry experts.

Build a Strong, Profitable  
Remodeling Company**

**NEW EPISODES EVERY  
WEDNESDAY**

## ABOUT OUR PODCAST

Starting out as an industry-focused blog, Remodelers Advantage's PowerTips has grown into a multi-faceted content initiative which includes written blogs by staff and guest contributors, weekly videos, e-mails, an annual magazine and now a podcast, **PowerTips Unscripted**.

Focused on topics that are of interest to remodeling business owners, the contributors and writers of PowerTips present great insight on issues such as hiring & recruiting, marketing, production, finance, administration, team building and more.
