2019

My life has been transformed as a result of my involvement in Remodelers Advantage Roundtables and I have realized many professional and personal goals. The compassionate instruction of a myriad of leaders has propelled me towards realizing my dreams.
Tom Mitchell
Owner Mitchell Construction Group

Our company has been transformed by what we've learned and the commitments we've made at R/A.
Mary Gerdes
Incite Builders & Remodeling

I think it is the single best investment I have made in our own prospective growth.
Ken Kirsch
RMK Design + Build

I am the poster boy for change and turnaround. I have made huge leaps, and that has not been lost on my Roundtables groups. When people see that you're acting on their advice, and getting better, it's really empowering.
Jef Forward
Forward Design Build

I would like to thank Remodelers Advantage for all they do. We would not be where we are today without the support and guidance we receive from Roundtables.
Chris Risher
Richard Risher Fine Homes

Thank you for providing an environment for tremendous learning and growth. Roundtables provides a forum unlike any other, in demand participation, focus and results. Our company certainly wouldn't be where we are today without our involvement in Roundtables!!.
Eric Adams
Adams + Beasley

The perspectives that are provided by the other members is invaluable to any company that is looking to grow their business.
They see different opportunities/weaknesses within our organization that we are too close to and have been overlooking.
Bryan Richardson

After only my first meeting I have already begun to feel the tremendous value that KIA can bring to my business and my life as a whole.
Daniel Sibley

Provides great value consistently...
Transformed our business
Angus Beasley
Adams + Beasley

In addition to the 14 or 15 typed pages of "Ah Ha" moments I have accumulated over the past 3 years, KIA has helped me identify a number of shortcomings with my business and how to address them.
Rob Crawford
Renaissance South Construction

KIA has provided the guidance and tools to succeed that I had not found anywhere else.
John Ford
J. Ford Construction

It has had an incredible improvement on my life.
I cannot recommend this organization enough. The best money I have ever spent. I used to think it cost too much for the group and now I think it costs so little that I feel like I'm stealing the advice it is so good.
David Edwards
